Saltisford church

A warm, growing church, committed to seeing God's message reshape lives.

Saltisford is a lively, growing, independent church in Warwick. We're committed to seeing God's message brought to life to make a difference to people in the church family and the local community alike. Saltisford Church is just outside the town centre, and close to mixed residential housing. We believe God's word is vital for the world in which we live. We exist to present that message in a way that communicates God's love for our community, with practical expressions of that going on throughout the week.

We share life and want to understand more of God’s call for us

We gather as a church family on a Sunday, families and singles, young and old; our worship is contemporary in style. We meet to share and encourage each other and understand more of the calling God has placed on our lives.

The church building that has been recently redeveloped occupies a prominent location on the way into town and is used throughout the week for all sorts of activities and groups, reaching those young and old and in-between.

A variety of activities throughout the week to reach the many needs of the community

Splat-a-Day runs monthly, engaging local families with fun activities on a Saturday morning to keep everyone entertained; baking, playing and crafting.

The church supports the local Foodbank, part of the Trussell Trust network, which is run out of the building every Friday alongside a community cafe.

Little Fishes is the hugely popular toddlers group that welcomes locals and their pre-school children every Monday for conversation, support and play.

A monthly Autism Café as well as a Crossroads Sunday afternoon service look to meet the different learning needs of those in our community.

We run a youth group on Fridays for 11-16 year olds offering a safe space where the young people can have fun and find out more about the Christian faith.

Breakfasts that are geared to support men and women in the church and the wider community run most months alongside many other weekly, varied interest groups.

Wednesdays at Two is a group for older members of the church family; they meet to sing, have a meal together, share life and understand more about the journey of faith over a cup of tea each week.

We have seven small groups meeting weekly to explore the Christian faith more deeply and build stronger connections with each other. We regularly run Alpha courses for those starting on their faith journey.

Everyone’s story of how they became part of the church family is unique to them...

Saltisford church

Dave was introduced to church via a friend. He serves on the mission support team, connecting us to those the church supports, both in the UK and across the globe.

After getting married and moving back to the area, Thato and Colette were looking for a local and community focused church to be part of. Thato’s first connection many years back was being invited along to the youth group at Saltisford.

Liz and Neil found the church when they moved into the local area for work. They have been part of the church family ever since, as their own family has grown up.

Kat is our community & pastoral coordinator; her first contact was through the children’s work on the local estate. The warm welcome and the feeling of being in a safe place have brought relief to her during some tough times.

Ron and Jill’s link with the church and their journey to faith began years ago when Jill attended the Toddlers group after they moved in nearby... the rest they would say, is history!

The current staff team is made up of Jamie, our youth and children’s leader, Kat our community & pastoral coordinator and Bing, the church administrator. James, Jamie, John, Steve and Susannah serve on the Leadership Team and are responsible for the spiritual direction and vision for the church.

We believe God is preparing someone to join us as our full-time church leader

We're looking for a passionate and gifted individual to join our team full-time as a church leader.

This person will have a deep love for God and a desire to grow even closer to Him. They'll have a servant-hearted attitude, be grounded in Scripture, and lead with authenticity and integrity—someone who helps others grow in faith by walking the journey with them.

Working closely with our current Leadership Team and staff, they'll help shape and support the life and direction of our church, encouraging and strengthening the various ministries we have. Our heart is to reach the local community with the love of God and the good news of Jesus, so we're looking for someone who shares that passion and can communicate it with clarity and compassion.

We're a family of around 100–120 people, including children, with a wide variety of weekly activities that aim to support and connect people across all ages and walks of life.

We'd love the person we appoint to live right in the heart of our community, which is home to a vibrant mix of families, couples, young professionals, and older adults—people we're eager to reach and serve.

We're based in a modern church building near the centre of Warwick, a beautiful and historic market town.

The interview process

If you sense God may be calling you to join us as our church leader, please email us enclosing your CV and a covering letter. It would be helpful if you explain why you have applied for this role, provide information on how you came to faith, and how God has led you in your ministry so far.

We will conduct the first stage of the selection process via a virtual meeting so that we can share more information on the ministry and vision of Saltisford, get to know you a little better and allow you to ask us questions.

We then plan to invite a short list of candidates to join us at Saltisford for an interview day during which you will meet the Leaders and several church members.

If you and we prayerfully consider it's right to explore things further, you would then be invited to join us for a weekend so that you can meet the whole church and join us in worship.

If together we discern that you're right for the role, we would anticipate a latest start date of Spring 2026, subject to mutual discussion.

Please reach out if you have any queries.

Applications to be submitted by 26th September 2025 to Rachael Mathers -- rachael.m@saltisfordchurch.org.uk
